

Dear FCC, our family is not in favor of expanding LPFM if they take priority over FM translator service. We listen to K-Love radio all across the US, as well as in our local community. It is one of a select few stations that is family oriented. It would be devastating to the community if we were to lose this very valuable form of communication to the citizens of this community. We support this station with our own individual dollars, not advertising dollars. Due to the positive message that is promoted by the station, it is in the public interest to protect our ability to hear it.
